

Lodge Hopping - 6 days overland

€ 569,- (price based on minimum 2 participants)

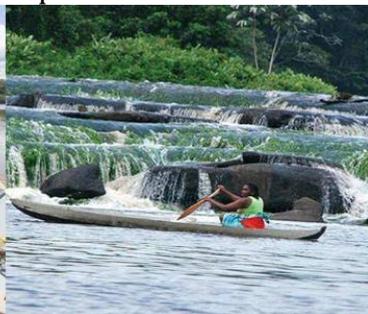

Day 1: Paramaribo – Atjoni – Pasensi

In the morning you leave at the agreed time from Centrum Paramaribo. We drive to Atjoni in about 3.5 hours and step into a canoe for a 2 hour boating. Eco Resort Pasensie is a small resort located in the traditional Maroon village of Pikin Slee. Here you can stay in the nature of the immense tropical rainforest and enjoy peace and tranquillity, village walk to experience the authentic culture, walks through the woods, swimming, and a visit to the Saamaka Marron museum. Pikinslee is known for the authentic village character and the local population (about 3000) values culture and history.

Day 2: Pasensi – Tioboto

After breakfast you will drive to Tioboto in about 1-1 ½ hours. After arrival, the resort can be explored and you can cool off in the river. In the afternoon you take a walk to the farmland, where various crops are cultivated in particular earth fruits. After dinner and cozy chat / games at the table, in the evening hours, with a bit of luck, you can spot caimans on the river. You sleep in one of the wooden lodges with mosquito nets.

Dag 3 Tioboto – Djumu - Tapawatravallen

After breakfast you sail by boat to Djumu. Under the guidance of a (local) guide you walk through the village and undertake an extensive forest walk. You will receive information about the flora and fauna around you. You can take a hike to the Pineapple Mountains in about two hours walk through the jungle. On the 219 meter high mountain the wild pineapples (only in the season to see) still grow. After the intensive walk you will make a boat trip to the Tapawatra rapids, at the confluence of the Gran and Piking Rio. Afterwards you will be treated to a tropical fruit picnic.

Dag 4 Tioboto - Fredberg

After breakfast, we leave again by canoe to Atjoni and then by bus to Fredberg in about half an hour. You arrive at the base camp where the stuff for the jungle walk to the mountain are packed. Then a walk to the mountain is made where the overnight stay will take place. The overnight stay on the mountain is 'back to basic', sleeping in hammocks

Dag 5 Fredberg - Adventure

Go down the mountain and jungle trek to the base camp. At the base camp there is opportunity for swimming, fishing, sailing in the creek. In the evening there is the possibility to take an evening walk in search of animals.

Dag 6 Fredberg - Paramaribo

In the morning there is another walk, where more is told about the medicinal plants. After lunch you will leave for Paramaribo by bus.

The program can be executed in a different order and is subject to changes
